M.P.P.A. Members,

The MPPA delegates to the 2021 annual conference approved a **voluntary** dues deduction for a member to contribute to the MPPA Political Action Committee. The **voluntary** dues deduction is **not** an increase in the member dues. The action allows the MPPA Treasurer to take \$4.00 each month from the dues a member currently pays, and provide the donation to the MPPA Political Action Committee. The donation is strictly voluntary. This statement is good for one year from the date of signature, but a member may stop the donation at any time by notifying the MPPA Treasurer.

The signed form is necessary for the MPPA to follow current law. The form will be kept in a confidential file, and destroyed after one year.

The dues deduction is **strictly voluntary**, and requires the printed name, signature of the member, and date before dues can be deducted.

The Political Action Committee may make donations to political candidates, or political issues based on approval from the PAC Board. Suggestions for donations will be accepted from; MPPA PAC members, MPPA Executive Board and Director, *MPPA Endorsement Committee*.
